

OFFICIAL RESPONSES TO VENDOR QUESTIONS RFGA-2020-DCYF-02-ACCRES

No.	Question	Answer
1.	<p>Appendix B, NH Certified Residential Treatment Agency/Program Application Request for Accreditation Funding, Section 5, Funds Requested.</p> <p>In estimating cost for personnel do we include the cost of consultants for medical and clinical services as well as home based services all that the Families First Act are going to require or do we limit it only to direct cost just to complete the accreditation.</p>	<p>Accreditation for Home Based Services (i.e. Individual Service Option or Home Based Therapeutic) is not allowable under this grant, as the grant is intended for residential treatment programs in New Hampshire.</p> <p>If those positions (i.e. clinician and nursing) support implementation of accreditation they can be submitted for up to one month of their salary and benefits.</p>
2.	<p>Can you confirm that the GRANT AGREEMENT pages 1-3 that appear after page 10 of the document only are completed by the two parties' if/when a grant is awarded and are not expected to be completed with the submission?</p>	<p>The Grant Agreement was included for reference only. Please see Section 2.12.</p>
